

Another
Presidential campaign
already?

No, it's a
Presidential *dollar*
campaign!

Lafayette
 FEDERAL
CREDIT
UNION

GOT KIDS?

Have them join the campaign — and the credit union.

We've got something special for any child under the age of 13 who becomes a Lafayette Federal member and opens a fixed-rate share certificate with a deposit of \$500 or more: a Presidential Dollars coin collecting kit. This kit includes a sturdy, high-quality folder with slots for every coin in the Presidential \$1 coin series and information about the presidents. Along with the kit, each child will receive the first eight coins in the series.

Taking part in our Presidential dollar campaign is a great way for kids to learn not only about the fun of coin collecting, but also about American history. And they'll also learn about a smart way to make their money grow!
